Article Overview

EGYTRAY, Rovana Trade, PI Manufacturing Solutions, and Melton Egypt are leading manufacturers of high-quality, fire-resistant cable trays in Egypt.

Leading Manufacturers

EGYTRAY is part of the El-Sewedy Industries Group and specializes in precision-engineered cable management systems, including cable trays, ladders, and support systems. Their products are designed for industrial, commercial, and infrastructure projects, emphasizing safety, efficiency, and structural integrity. EGYTRAY follows international standards and offers sustainable, high-performance solutions suitable for environments requiring fire-resistant and durable cable routing . Rovana Trade, established in 2019, provides high-quality cable trays and ladders with ISO 9001 certification. They offer hot-dip galvanized and electrostatic painted solutions, ensuring durability and fire resistance. Rovana Trade focuses on customized solutions for industrial and electrical projects across Egypt and the Middle East, making them a trusted partner for large-scale installations . PI Manufacturing Solutions, founded in 2023, manufactures cable trays, trunks, and ladders, along with electrical panels and enclosures that withstand harsh environmental conditions such as dust, water, and corrosion. Their products are engineered for safety and efficiency, with customization options to meet specific project requirements . Melton Egypt designs and produces cable trays from pre-galvanized steel, hot-dip galvanized steel, and stainless steel. Their ladder, perforated, and solid-bottom designs are ideal for fire alarm systems, data centers, and control rooms, providing robust support and compliance with inte...
