

A well-known cable tray manufacturer in Malaysia

Article Overview

Top cable tray manufacturers in Malaysia include Array Metal, EAE Group, Maple Precision, SAN Engineering, and YSESSB, offering durable, standards-compliant solutions for industrial and commercial projects.

Leading Manufacturers

Array Metal is a well-established manufacturer providing a wide range of cable trays, including ladder, perforated, and wire mesh types. Their products are designed for durability and performance, conforming to IEC and NEMA standards, and are available in hot-dipped galvanized, marine-grade stainless steel, aluminum, and powder-coated finishes. They serve electrical, telecommunications, industrial, and commercial sectors, with a strong international distribution network. EAE Group specializes in lightweight, easy-to-install cable trays with corrosion resistance. They offer ladder, perforated, and wire mesh trays suitable for construction, commercial, industrial, and energy sectors. Maple Precision focuses on heavy-duty cable trays, including galvanized and stainless steel options, designed to withstand Malaysia's humid climate. Their products are ideal for oil and gas, industrial, and infrastructure projects. SAN Engineering manufactures high-quality hot-dip galvanized (HDG) cable trays, as well as stainless steel and aluminum alloy systems. Their trays comply with local and international standards, including NEMA VE 1 and VE 2, and are available with corrosion-resistant finishes like zinc, PVC, and epoxy. SAN Engineering also provides a full range of accessories, including bends, risers, and supports. YSESSB offers cable trays made from pre-galvanized steel, hot-dip galvanized steel, and stai...
