

Bahrain Network Cabinet Manufacturers

Article Overview

Bahrain Data Systems, Microless, BOLO, and Ubuy are key providers of network and server cabinets in Bahrain.

Bahrain Data Systems (BDS)

BDS offers a wide range of racks, cabinets, and enclosures designed for IT systems, data centers, and edge computing environments. Their solutions include prefabricated racks, modular data centers, and outdoor enclosures, which are adaptable, scalable, and designed for optimal performance and protection of critical IT equipment. BDS emphasizes modular design, ergonomics, and flexibility, making it suitable for both enterprise and remote installations .

Microless

Microless, established in 2011, is an online electronics and IT components store that delivers to Bahrain, including Manama, Riffa, and Muharraq. They offer a variety of server cabinets and racks with manufacturer warranties, competitive pricing, and express delivery options. Their products cater to both home and office IT setups .

BOLO

BOLO provides wall-mounted server cabinets suitable for home labs, office IT networks, AV systems, and security installations. Their cabinets feature locking tempered glass doors, ventilated access, integrated fans, PDUs, and mounting hardware, supporting up to 133 lbs (60 kg) of equipment. These cabinets are design...
