

Bhutan OEM power distribution box

Article Overview

OEM power distribution boxes in Bhutan are available through local manufacturers and suppliers offering customized panels, enclosures, and PDU units for industrial, commercial, and data center applications.

Manufacturers and Suppliers

- Machine equipments Bhutan – A leading supplier and manufacturer of power distribution equipment in Bhutan, offering bulk orders and export services. They provide a wide range of distribution boxes and panels suitable for industrial and commercial use, with options for OEM customization and reliable delivery .
- HLC Sheet Metal Factory – Specializes in customized electrical enclosures, battery storage cabinets, and sheet metal processing. They offer fast sampling (1-3 days) and delivery (7 days), with high-precision bending, stamping, and welding services. Their products are suitable for new energy, electrical, photovoltaic, and industrial applications .
- International Config – Supplies Bhutan-standard power strips and PDU power distribution units for surface mount, rack mount, and general-purpose applications. These units are designed for data centers, server rooms, and industrial environments, with agency approvals ensuring compliance with Bhutanese standards .
- Brilltech Engineers Pvt. Ltd. – Offers power distribution panels, bus ducts, cable trays, and related electrical infrastructure. They provide customization for commercial and industrial setups, including galvanized, ladder, and perforated cable trays .
