

Brazilian Cable Management Rack Brands

Article Overview

Leading Brazilian manufacturers of cable management racks include MAX Eletron, Rackbras, Band Cable Trays, Legrand, IP METAL, and CLEMAR, offering solutions for IT, industrial, and commercial applications.

Key Manufacturers

MAX Eletron specializes in racks for CFTV, cable organizers, and technological infrastructure solutions. They provide robust 19" racks, compact designs for small spaces, and industrial-grade cabinets. The company holds ISO 9001 and ISO 14001 certifications, ensuring quality and environmental compliance, and is recognized for sustainable practices and professional credibility in Brazil . Rackbras is a pioneer in Brazil for 19" racks and special cabinets, with over 30 years of experience. They focus on high-efficiency, innovative solutions for IT markets, offering customizable and cost-effective products . Band Cable Trays manufactures premium stainless steel cable management systems, including perforated, flat, and wire mesh trays, as well as C and U profiles, covers, bends, and connectors. Their products are designed for demanding industrial environments, emphasizing corrosion resistance and long service life using AISI 304/316L stainless steel . Legrand Brazil is a global network communications manufacturer with a strong presence in Brazil. They produce network racks, patch panels, and UPS solutions, adhering to ISO 9001 standards and offering worldwide distribution . IP METAL focuses on network racks, data cabinets, and rack accessories, with advanced production and inspection equipment to meet strict international standards . CLEMAR provides mini data centers and integrated network cabinet solutions, including air conditioning, monitoring systems, UPS, and power distribution panels. Their products are ISO 9001 certified and designed for m...
