

Concealed electrical boxes look good

Overview

To conceal an electrical box elegantly, consider using a decorative wall piece that is larger than the box, complementing your décor and allowing easy access. In this guide, I'm excited to share with you 15 creative and surprisingly simple ways to transform your ugly electrical box from an eyesore into a part of your home you might actually want to show off. Those utilitarian metal or plastic squares can sometimes disrupt the flow and visual harmony of a well-designed room. Hiding the eyesore of outdoor electrical boxes in your yard can be tricky, and it's important to. There are actually a whole host of creative and, more importantly, stylish ways to conceal your breaker box or electrical panel without blocking access or impeding functionality. Get inspired and try out new things. If you are looking for how to hide electrical.
