

Decorative items for building electrical distribution boxes

Article Overview

Decorative covers and panels can transform electrical distribution boxes into stylish, functional elements of your home or yard.

Indoor Decorative Covers

For indoor electrical panels, there are decorative painting covers and wall art panels that conceal meter boxes while adding aesthetic appeal. These covers are often made from PS frames, crystal canvas, or wood PP panels, providing durability and moisture resistance . They come in various sizes and colors, including black, white, and gold, and can be installed without drilling, using traceless nails or magnetic designs for easy access . These covers not only enhance the room's decor but also protect the panel from dust, moisture, and daily wear . Popular styles include modern art, vintage charm, and collectible paintings, suitable for living rooms, bedrooms, kitchens, offices, and even hotels . Some covers are designed to replace old meter boxes entirely, providing a seamless and elegant look while maintaining safety .

Outdoor Decorative Solutions

For outdoor electrical boxes, DIY and ready-made solutions can hide unsightly panels while ensuring accessibility and weatherproofing . Common options include:

- **Faux rock covers:** Lightweight artificial rocks made from hypertufa, foam, or cementitious materials that blend with landscaping. They can include features like...
