

Discounted Price for Middle East Optical Cable Tension Clamps

Article Overview

You can obtain discounted optical cable tension clamps in the Middle East by contacting regional suppliers like Fibeye, Zion Communication, CMP Products, or Alibaba vendors for quotes and bulk pricing.

Key Suppliers and Options

1. Alibaba Alibaba offers a wide range of tension clamps suitable for overhead fiber optic installations, indoor conduit runs, and splice points. These clamps are made from materials like UV-stabilized HDPE, polyamide, polypropylene, and aerospace-grade alloys, ensuring durability and long-term reliability. You can request bulk orders or discounted pricing directly from suppliers through Alibaba's platform . 2. Fibeye Fibeye provides stainless steel and reinforced nylon tension clamps for drop cables with diameters of 3-8mm. Their clamps are tested for tensile strength, temperature cycling, aging, and corrosion resistance, making them suitable for harsh Middle Eastern climates. Fibeye allows customers to purchase clamps individually or as assemblies, and contacting them directly can yield special pricing or discounts for large orders . 3. Zion Communication Zion Communication supplies FTTH and ADSS series clamps, including stainless steel, nylon, and composite flat cable drop clamps. They focus on high-quality, reliable products for optical networks and offer quotes and free samples, which can help in negotiating discounted rates for bulk procurement . 4. CMP Products Limited CMP has a network of distributors across the Middle East. They provide cable glands, cleats, and accessories, including tension clamps. By identifying your nearest distributor, you can request pricing and potenti...
