

Electric distribution box manufacturers near the Netherlands

Article Overview

Key manufacturers of electric distribution boxes in the Netherlands include Vello Elektro, DTC Elektro, and various suppliers listed on Trademo.

Notable Manufacturers and Suppliers

Vello Elektro BV specializes in robust and durable power distribution boxes, extension cables, and worklights. They offer products designed for heavy-duty environments, including the “Rock” series for construction sites and the compact, stackable “BOXY” model available up to 32A in four standardized versions. Vello Elektro emphasizes continuous product innovation, safety, and functionality, making them a reliable choice for industrial and commercial applications (Vello Elektro) . DTC Elektro is a comprehensive electrical wholesaler supplying equipment for machine construction, industrial automation, and utility installations. Their offerings include switchgear, distributors, wire and cable, cable support systems, and home automation solutions. DTC Elektro serves heavy, medium, and light industries, providing high-quality products with technical support and 24/7 service (DTC Elektro) . Trademo Directory lists multiple electrical box manufacturers and suppliers in the Netherlands, providing shipment data, trade volumes, and contact information. Companies featured include local manufacturers in Gorinchem, Sliedrecht, Breda, and Alphen aan den Rijn, as well as international suppliers like Gustav-Hensel in Germany. This directory is useful for discovering new suppliers and comparing product offerings (Trademo) .
