

Galvanized Stainless Steel Cable Tray Manufacturers

Article Overview

Leading manufacturers of galvanized and stainless steel cable trays include MP Husky, Spina Group, Øglænd System, and Eurostrut, offering a wide range of industrial-grade solutions for cable management.

Key Manufacturers and Offerings

MP Husky is a prominent U.S.-based manufacturer providing mill galvanized, hot-dipped galvanized, and stainless steel cable trays, along with aluminum, fiberglass, and PVC-coated options. Their systems include ladder, wire mesh, and single rail trays, all compliant with NEMA, UL, CTI, and CSA standards for industrial applications . Spina Group (Schiavetti Tekno), an Italian manufacturer, offers stainless steel and galvanized cable trays in ladder, perforated, closed-bottom, and wire-mesh designs. They provide custom sizes, compatibility with Unistrut systems, and accessories like elbows, junctions, and covers. Their products meet EN and UL standards and are designed for durability, corrosion resistance, and long-term performance in demanding industrial environments . Øglænd System supplies cable trays in stainless steel, galvanized steel, aluminum, and fiberglass composites, suitable for both onshore and offshore projects. They offer a variety of heights, widths, and slot patterns for flexible installation, along with a comprehensive range of brackets and fittings for secure and compact setups . Eurostrut manufactures hot-dip galvanized and stainless steel cable trays for industrial and marine applications. Their trays are available in multiple widths, heights, and configurations, including open and perforated designs for improved ventilation and reduced overheating. Eurostrut em...
