

How much does a low-loss outdoor wiring box cost

Overview

The total project cost for a standard outdoor outlet installation typically falls between \$180 and \$350. More complex professional jobs, such as those requiring a new dedicated circuit run long distances or involving trenching, can push the total cost into the \$250 to \$900 range. Discover more about the small businesses partnering with Amazon and Amazon's commitment to empowering them. Learn more This product has sustainability features recognized by trusted. The cost to install an outdoor outlet is \$180 to \$350 on average, depending on the location, the home's wiring conditions, and whether the outlet requires adding a new circuit. Electricians charge \$100 to \$175 to replace an existing outdoor outlet. All outlets installed outside must be GFCI. Excludes sales tax, any applicable fees, dump charges, and costs for repair or remediation not mentioned in the work description. Our cost guide has been updated for 2026 to reflect current fair market. CANTEX LEZ55QNB EZ BOX is a 55 cu. 4-gang nail-on electrical switch and outlet box for residential or light commercial new construction (new work) electrical installations.
