

Iranian cable tray suppliers

Article Overview

Iran has several reputable cable tray manufacturers and distributors, including Jooyeshgar, Parsian Gostar, Tafakornia Industrial Group, and MNA Company, offering a wide range of cable trays and accessories.

Key Companies

1. Jooyeshgar Jooyeshgar produces various types of cable trays and ladders, with thicknesses ranging from 0.5 to 2 mm, widths from 50 to 1100 mm, and lengths of 2 to 3 meters. They offer galvanized steel and steel ST37 materials, with both cold and hot-dip galvanization options. Hot-dip galvanized trays provide high resistance to moisture and corrosion, making them suitable for humid environments. Accessories include knees, three-way intersections, connectors, wall supports, roof supports, and conversions . 2. Parsian Gostar Parsian Gostar is a distributor of cable trays in different shapes and materials, located in Tehran. They provide contact options for inquiries and orders, making them accessible for both domestic and international clients . 3. Tafakornia Industrial Group Tafakornia manufactures cable trays and ladders up to 3 mm thickness. Their production uses CNC punching and bending machines to ensure precision and burr-free finishes. They also provide plated wall and roof supports. Tafakornia offers export-ready products and can provide specifications, certifications, and packaging details upon request . 4. MNA Company MNA specializes in metal parts and telecommunication equipment, including cable trays, cable ladders, metal trunking, and network enclosures. Their products are manufactured using mechanized production lines and comply with both domestic and international standards. MNA's cable trays are designed for use in telecommunication networks, supporting copper and fiber optic cables for audio, video, and data trans...
