

Madagascar Electrical Cabinet Wiring Manufacturer

Article Overview

Madagascar has several experienced manufacturers and service providers for electrical cabinets, enclosures, and wiring solutions, offering both standard and custom designs.

Key Manufacturers and Service Providers

1. Sheet Metal Factory – Electrical Enclosures This company specializes in custom electrical cabinets, boxes, and enclosures, providing one-stop processing and design solutions. They have over 22 years of experience and a professional technical team capable of delivering tailored electrical enclosure solutions for industrial and commercial projects . 2. Electricity Store by Q. Razafimalala A family-run business offering a wide range of electrical equipment and installation services. They provide residential and commercial electrical solutions, including wiring, circuit breakers, and full system installations. Their team can assess your property and provide detailed installation or renovation plans . 3. INECO INECO is a full-service electrical engineering and automation company in Madagascar. They design, install, and maintain electrical infrastructures, including high-performance automation systems, custom metal structures, and industrial wiring solutions. They also offer renewable energy solutions and ensure compliance with international standards . 4. SP Madagascar SP Madagascar provides procurement, supply, and logistics services for electrical equipment. They can source and deliver electrical cabinets and components both locally and internationally, offering integrated solutions including inspections and technical support
