

Panama-branded carrier-grade router SFP

Article Overview

CiscoSuppliers.com and Pana Compu are key suppliers in Panama for carrier-grade routers compatible with SFP modules, offering Cisco, Juniper, and Fortinet equipment with full warranty and nationwide delivery.

CiscoSuppliers.com

CiscoSuppliers.com provides factory-sealed, serial-verified Cisco, Juniper, and Fortinet routers suitable for carrier-grade deployments in Panama City and nationwide. They stock Cisco ISR, ASR, and Catalyst 8000 series routers, which support a wide range of SFP and SFP+ modules for WAN and branch connectivity. Orders include full manufacturer warranty, customs documentation, and end-to-end courier tracking, with delivery in 4–7 business days. They also provide technical support, SmartNet eligibility verification, and compatibility guidance for enterprise and service provider networks .

Pana Compu

Pana Compu offers a broad selection of network devices from top brands including HPE, Huawei, Fortinet, Mikrotik, TP-Link, and Ubiquiti. Their inventory includes routers, switches, and SFP-compatible devices suitable for enterprise and small-to-medium carrier networks. They provide same-day delivery in Panama City and online ordering options, making them a convenient choice for local procurement
