

Price of fire-resistant cable trays in Tanzania

Article Overview

Durable fireproof cable trays in Tanzania are available from local manufacturers like J Selectromec, Shopit, and Wiremeshes, with prices typically ranging from \$20 to \$100 per meter depending on material, type, and load capacity.

Suppliers and Availability

Several reputable suppliers in Tanzania provide high-quality cable trays suitable for fire-resistant applications:

- J Selectromec: Offers light, medium, and heavy-duty cable trays made from pre-galvanized steel, which provides corrosion resistance and durability in harsh environments . They supply ladder trays, perforated trays, and solid-bottom trays suitable for industrial and commercial projects .
- Shopit: Provides a wide selection of cable trays with speedy delivery and competitive pricing. Their products are designed for electrical cable management in construction, telecommunications, and industrial sectors .
- Wiremeshes: Manufactures cable trays in various sizes, shapes, and configurations, emphasizing durability and compliance with industry standards. Their trays are suitable for heavy loads and high-temperature environments .
- Electricool: Another local supplier offering durable cable management solutions for commercial and industrial applications .
