

Price of horizontal cable tray connections

Article Overview

Horizontal cable tray connectors typically range from \$5 to \$50 per set or individual unit, depending on type, material, and supplier.

Horizontal cable tray connectors are available in various types, including adjustable connectors, heavy-duty couplers, and wire mesh couplers. For example, the CT1 Adjustable Horizontal Connector (set of 2) from Elmark is available online, though the exact price varies by retailer . On Amazon, a 50-pack of wire mesh cable tray couplers is priced around \$50, making each connector approximately \$1 per piece . Heavy-duty flat horizontal adjustable couplers from Vantrunk are sold individually, with prices typically higher due to their robust construction and compatibility with heavy-duty cable trays .

Factors Affecting Price

- Material: Galvanized steel, stainless steel, aluminum, or fiberglass-reinforced plastic (FRP) affect cost .
- Size and Compatibility: Connectors must match the width and sidewall height of the cable tray.
- Quantity: Bulk purchases often reduce the per-unit cost.
- Supplier: Prices vary between distributors like McMaster-Carr, Amazon, and specialized suppliers such as Vantrunk or Elmark .

Recommendations

- For light-duty or wire mesh trays, bulk packs from Amazon or similar suppliers are...
