

Price of optical fiber cable clips

Article Overview

Optical fiber cable clips range from around \$2.50 per clip for wholesale options to \$10–15 for retail packs of 30 clips.

Retail Options

On Amazon, self-adhesive cable clips suitable for fiber optic cables are available in packs of 30, with sizes accommodating cables from 0.5 mm to 6 mm in diameter. These packs typically cost \$10–15 per pack, depending on the brand and features such as adhesive strength and material quality (e.g., Elfcam self-adhesive clips) . Retail packs are convenient for home or small-scale installations and often come with warranties and customer support.

Wholesale Options

For larger-scale or commercial deployments, Alibaba suppliers offer fiber optic clips at wholesale prices. For example, outdoor fiber deployment clips with a press-fit design for 5–8 mm cables are available at an average price of \$2.49 per clip, with a minimum order quantity of 10 units . Alibaba also lists hundreds of other optical fiber cable clip products, allowing buyers to select based on cable type, size, and quantity . Wholesale options are ideal for network installers or distributors needing bulk quantities.

Factors Affecting Price

- Clip type: Self-adhesive clips are generally more expensive per unit than simple p...
