

Price quotes from Chinese control and distribution box manufacturers

Article Overview

Control and distribution boxes from Chinese manufacturers typically range from \$3.75 per unit for basic IP66 enclosures to higher prices depending on customization, OEM branding, and order volume.

Pricing Overview

- Low-cost options: Basic IP66 panel board boxes start at approximately \$3.75 per unit, suitable for industrial or wholesale orders, with customizable options available for larger quantities (Alibaba) .
- Customized or OEM units: Prices vary significantly based on specifications, factory volume, and branding requirements. Custom features such as busbar fitment, top cable entry modifications, and logo embossing can increase the per-unit cost (Made-in-China) .
- Wholesale discounts: Larger orders typically reduce the per-unit price, making bulk procurement more cost-effective. Modular cabinets and IP-rated enclosures are trending options for distributors seeking durable and flexible solutions (Made-in-China) .

Supplier Options

- Made-in-China and Alibaba list numerous verified manufacturers and trading companies offering control and distribution boxes with competitive pricing and customization services
