

Purchase of Explosion-proof Distribution Boxes

Article Overview

Explosion-proof distribution boxes can be purchased from specialized industrial suppliers such as Hexlonex, Platt Electric Supply, Inatex, Intrinsically Safe Store, and Atex-Supplies, all offering certified products for hazardous zones.

Recommended Suppliers

1. Hexlonex Hexlonex offers durable explosion-proof distribution boxes and electrical enclosures certified under IECEx and ATEX for Zone 1 and Zone 2 environments. Their products are designed for industrial applications requiring high safety standards and compliance with international certifications . 2. Platt Electric Supply Platt provides a wide range of GR Type and GRSS conduit outlet boxes, including dust-ignitionproof and explosion-proof models made from malleable iron or aluminum. These boxes include internal ground screws, O-rings, and threaded hubs suitable for threaded metal conduit installations . 3. Inatex Inatex features Warom explosion-proof distribution boxes with modular GRP construction. These boxes can include main and branch switches operated via external rotary actuators, complete internal wiring, and optional cable glands. They are suitable for complex industrial setups requiring modular configurations . 4. Intrinsically Safe Store This store specializes in ATEX and IECEx certified explosion-proof junction boxes. They offer guidance on selecting the right box for your hazardous zone, IP rating, and conduit compatibility. Their products are made from aluminum, stainless steel, or heavy-duty cast metals, ensuring durability and compliance . 5. Atex-Supplies Atex-Supplies provides explosion-proof power distribution panel boxes for Zones 1, 2, 20, 21, and 22. Optio...
