

Quotation for electrical distribution boxes at construction sites in Qatar

Article Overview

Electrical distribution boxes for construction sites in Qatar can be sourced from multiple suppliers offering wall-mounted, floor, and custom metal enclosures, with quotations available upon request.

Key Suppliers and Options

-

Polar Qatar – Specializes in custom metal enclosures, industrial cabinets, and electrical boxes suitable for harsh environments such as high temperatures, humidity, and dust exposure. They offer tailored fabrication based on project specifications and provide durable, weather-resistant solutions for construction and industrial sites. Quotations can be requested by emailing your requirements or filling out their online form .

-

Alsiraj Qatar – Offers wall-mounted distribution boxes made from PC/ABS, certified to IEC/EN 62208 standards. These boxes provide high impact resistance, thermal stability, dielectric strength, and chemical resistance, making them suitable for both indoor and outdoor construction applications. Custom configurations and combination groups are available, and quotes can be obtained directly from the supplier .

-

Electra Qatar – Supplies floor distribution systems designed for construction sites, factories, and production plants. These floor boxes protect cables from wheel loads,...
