

Ranking of Smart Integrated Power Supply Manufacturers

Article Overview

Top smart integrated power supply manufacturers include STMicroelectronics, Texas Instruments, Infineon Technologies, Renesas Electronics, and Analog Devices, leading the market in innovation, revenue, and global reach.

Leading Companies and Market Position

- **STMicroelectronics** – A global leader in highly integrated Smart Power ICs for automotive and industrial applications, with 2024 segment revenue of \$0.62 billion and an EBITDA margin of 25.6%. Key products include STripFET F8, STi2GaN, and MasterGaN 4. The company has strategic partnerships, such as with Renault for bidirectional chargers, and serves major clients like Apple and Schneider .
- **Texas Instruments (TI)** – Dominates the power management IC market with a broad portfolio for consumer electronics, automotive, and industrial sectors. TI focuses on low-power, high-efficiency DC-DC converters and battery management systems, particularly for electric vehicles and autonomous driving systems .
- **Infineon Technologies / International Rectifier** – Specializes in power management, microcontrollers, and sensor technologies. Infineon emphasizes MOSFETs, IGBTs, and power management ICs, serving automotive, industrial, and consumer electronics markets globally .
- **Renesas Electronics** – Offers advanced integrated solutions combining voltage regulation and battery management, supporting automotive, industrial, and consumer electronics. Renesas is expanding PMICs for ADAS and EV applications, enhancing battery life and system efficiency .
- **Analog Devices** – Known for leveraging proprietary BCD processes for efficient Sm...

Power Supply

Report Scope This report aims to provide a comprehensive presentation of the global market for Power Supply,

The 10 Top Battery Integrators in the World

“ This ranking focuses on AC-integrated battery energy storage systems, defined as factory-assembled solutions that

Top 10: Smart Grid Companies

For example, the company offers smart substation control and protection software, substation automation systems

Top 7 Power Semiconductor Manufacturers | Market Share & Analysis

Methodology: How VMR Evaluated These Solutions To move beyond generic rankings, our Senior Analysts utilized

Power Supply Manufacturers | List of Best Power Supply Rankings

A list of top power supply manufacturers. These are the best companies in their field as voted on by the users. If

Power Electronics Industry News

The Top-16 Power Supply Companies The Top-16 Power Supply Manufacturers" list was prepared by using a combination of

Top 10 Power Supply Vendors Vie in Tumultuous Market; Rankings

"The market-share standings for 2013 are quite turbulent with six of the top 10 manufacturers shifting in rank and two companies

15 Switching Power Supply Manufacturers in 2026

15 Switching Power Supply Manufacturers in 2026 This section provides an overview for switching power supplies as well as their

Top 17 Battery Energy Storage Systems (BESS) Companies in 2025

The global Battery Energy Storage Systems (BESS) market is experiencing unprecedented acceleration as utilities,

Smart Power Companies

List of the top Smart Power companies based on extensive research conducted by Mordor Intelligence analysts and expert advisors

13 Power Supply System Manufacturers in 2026 | Metoree

This section provides an overview for power supply systems as well as their applications and principles. Also, please take a look at

The top energy storage cell suppliers and system integrators in 2025

In 2025, over 600GWh of cells were shipped globally for battery energy stationary storage (BESS) applications, almost

TOP 10 Switching Power Supply Suppliers 2025

Discover the top 10 switching power supply suppliers for reliable, efficient power solutions. Learn about leading

12 Power IC Manufacturers in 2026

12 Power IC Manufacturers in 2026 This section provides an overview for power ics as well as their applications and principles. Also,

Top 7 Power Supply Companies: Market Share & Analyst Review

Compare the top 7 power supply leaders using VMR's Q1 Intelligence Report. See market share data, efficiency

AC DC Power Supply Companies

Top AC DC Power Supply Companies, Leaders & Major Players Explore list of the top AC DC Power Supply companies based on

global BESS integrator ranking 2026 | Wood Mackenzie

The global battery energy storage industry reached a major milestone in 2025, surpassing 100 GW of annual

Top 10 Power Supply and Management Companies

We're taking a look at the top 10 global power supply and management companies, in no particular order.

Top 5 Power Supply Manufacturers In The World

The company is one of the top 05 power supply manufacturers in the world. Bel continually strengthens the

Top PMIC Companies: Market Share & Analyst Evaluation | VMR

Compare the top power management IC manufacturers. Our Senior Analysts evaluate STMicroelectronics, TI, and ADI

Top 10 Uninterrupted Power Supply (UPS) Manufacturers 2025

UPS Power System Manufacturer China|INVT Power INVT Power is a leading UPS(uninterruptible power supply) OEM/ODM

Power Semiconductor Companies

List of the top Power Semiconductor companies based on extensive research conducted by Mordor Intelligence analysts and expert

Tesla and Fluence rank in top ten global battery integrators as China ...

While Chinese manufacturers continue to dominate the upper tiers of the global energy storage supply chain, U.S.

A Guide to Top 9 Power Distribution Unit Companies

Deployed for providing UPS (Uninterruptible Power Supply), the solution can be used across factories, warehouses,

96 Power Supply Unit Manufacturers in 2026

96 Power Supply Unit Manufacturers in 2026 This section provides an overview for power supply units as well as their applications

Industrial Smart Power Supply

This report aims to provide a comprehensive presentation of the global market for Industrial Smart Power Supply, focusing on the

Top 10 Integrated Circuits (IC) Manufacturers 2026:

For investors and industry decision-makers seeking the immediate market leaders, here is the projected

Data Center Rack Power Distribution Unit (PDU) Companies

Get profiles of Data Center Rack Power Distribution Unit (PDU) companies - leading, established, and top emerging players - with

Power Supply Market Report: Size, Growth, Trends & Forecast

Power Supply Market size was valued at USD 34,243.51 Million in 2024 and is to reach USD 50,632.18 Million by 2032, growing at a

Top 10 Leading Industrial Power Supply Companies Shaping the

This comprehensive analysis explores how these companies are setting standards for reliability, advanced power architectures, and

Top 10 Leading DC Power Supply Companies to Watch in 2025 and

Delta Electronics, Inc. distinguishes itself through vertically integrated manufacturing and cutting-edge research in energy-efficient

World's Top 10 Uninterrupted Power Supply (UPS) Manufacturers

The global Uninterruptible Power Supply (UPS) industry is currently navigating a period of profound structural and

Top 100 Power Supply Manufacturers in 2026 | ensun

FSP Group is a prominent manufacturer in the power supply sector, offering a diverse range of products

Power Supply Market Size, Share, and Trends Analysis 2032

The global Power Supply market size was estimated at USD 39.49 Billion in 2024 and is estimated to grow at a CAGR of 6.75% from

Top 100 Power Supply Manufacturers in 2026 | ensun

Different types of power supplies exist, including linear and switching power supplies, each with unique characteristics and uses in

Power Inverter Manufacturers 2025: Top 8 Reliable & Trusted Global Rankings

Discover the 2025 ranking of global power inverter manufacturers. Compare trusted OEM/ODM inverter factories, pure sine wave
