

Recommended Fiber Optic Cable Accessories

Overview

Choose fiber optic accessories and tools for your next installation, including access tools, tool kits, polishing film, cleaning accessories, and replacement parts. Fiber optic patch cables, also known as jumper cables or fiber patch cords, serve as the lifelines of a fiber optic network, connecting various devices and ensuring the smooth flow of data. They come in different types, primarily single-mode and multi-mode, each designed for specific applications. CommScope features a family of tools and components for the installation, repair and maintenance of fiber cables, including prep and termination kits. Fiber optic connectors are the endpoints that enable precise alignment of fiber cores for light transmission. Common types include SC, LC, ST, FC, and MPO/MTP. Make installing and maintaining your fiber cables quick and easy with our pulling eye hooks, lc sc st cleaners, smf mmf couplers and adapters.
