

Reputable electrical distribution box vendor in Saudi Arabia

Article Overview

Kesher Automation, Industrial Systems Group (ISG), Perfect Automation & Innovation, and Coloria are among the leading electrical distribution box suppliers in Saudi Arabia.

Key Suppliers

Kesher Automation Kesher Automation is a prominent manufacturer and exporter of industrial distribution boxes in Saudi Arabia. Their products are designed for safe and efficient power distribution in industrial settings, featuring protective devices like MCBs, fuses, and isolators. They offer durable, high-performance boxes suitable for factories, water treatment plants, and large infrastructure projects, with options for customized solutions to optimize load management and energy efficiency . Industrial Systems Group (ISG) Established in 2008, ISG specializes in explosion-proof electrical equipment, including panel boards, junction boxes, enclosures, and switch racks. They hold certifications such as ISO 9001, DEKRA, and approvals from Saudi Aramco and SABIC. ISG is known for high-quality, locally manufactured products that meet stringent industrial and safety standards . Perfect Automation & Innovation Based in Riyadh, Perfect Automation & Innovation manufactures and wholesales power distribution boxes, control panels, and power contactors. They provide reliable, cost-effective solutions and offer customized panels tailored to client specifications, ensuring quality and compliance with industrial requirements . Coloria Coloria is a comprehensive architectural and building solutions provider in Saudi Arabia, offering power distribution boxes as part of their electrical systems portfolio. They emphasiz...
