

Sierra Leone Fire-Resistant Cable Tray Manufacturers

Article Overview

Top recommended manufacturers include Meka Pro, Eaton, HERMI Solutions, and EAE Group, all offering certified fire-resistant cable trays suitable for industrial and commercial installations.

Key Manufacturers

Meka Pro Meka Pro specializes in fire-resistant cable support systems tested according to EN 1363-1 standards. Their products are designed to maintain electricity supply during fires, prevent collapse, and avoid toxic flue gases. They offer over 1,200 fire-tested standard products and provide technical support for proper installation, ensuring compliance with international safety standards . Eaton Eaton provides firestop and fire-resistant cable tray solutions, including intumescent caulks and reinforced cable trays. Their systems are designed to protect electrical wiring and structural steel from heat penetration, suitable for both new construction and retrofitting projects . HERMI Solutions HERMI Solutions offers E90 fire-resistant cable trays for constructing fire-resistant cable paths. They provide both standard and lightweight cable paths with surface cable laying, and their team assists in selecting the most suitable solution for specific project requirements . EAE Group EAE Group manufactures fire-resistant cable trays under ISO-certified quality management systems. Their products include ceiling and wall-mounted trays with fire ratings, and they have extensive experience in electrical sector production and international standards compliance . Additional Suppliers for Sierra Leone A directory of suppliers serving Sierra Leone includes companies like Albert Schäfer GmbH, Dipl.-Ing. W. Kri...
