

Singapore Micro Module Wholesale Prices

Article Overview

Wholesale prices for micro modules in Singapore vary by supplier, quantity, and module type, with distributors like Mouser, DigiKey, element14, Serial System, and BS Micro offering bulk purchasing options.

Key Distributors in Singapore

- Mouser Electronics Singapore: Offers a wide selection of semiconductors and electronic components with no minimum order requirements. Pricing is available upon request or through their online catalog, which allows bulk order inquiries .
- DigiKey Singapore: Provides pre-tested and pre-certified modules, including IoT, MCU, and industrial modules. Wholesale pricing can be obtained by contacting their sales team or using their online platform for bulk orders .
- element14 Singapore: Supplies a broad range of electronic and industrial system components. They offer discounts and promotions for registered customers, and bulk pricing is available through direct inquiry .
- Serial System Ltd: A leading distributor across Asia, including Singapore, with a focus on microelectronics and consumer products. They support large-scale orders and provide quotations for wholesale purchases .
- BS Micro: Specializes in STMicroelectronics products and maintains a centralized warehouse in Singapore. They offer buffer inventory and can provide quotations for bulk orders, supporting urgent requirements .

Factors Affecting Wholesale Prices

- Module Type: Prices vary depending on whether the module is a microcontroller, sensor, communication module, or IoT device,...
