

Temporary Level 3 Distribution Box 380V

Mechanical drawing

Overview

Distribute 380V three-phase and 220V single-phase power to multiple electrical devices. Enable quick, flexible power access for temporary work scenarios.

Established in 2017, Dongguan Anchang Building Facilities Co. is a comprehensive building materials supplier integrating research and development, production, sales and service. Adhering to the business policy of "based in Dongguan, rooted in China, global radiation", and the service concept. welcome to taobao shopping dayijiang distribution box construction sports three-level box v40a, taobao hundreds of millions of hot selling goods, official logistics can be sent to the global ten, support foreign currency payment and other payment methods, platform customer service 24hours online. Discover the power of innovation with Thermon Temporary Power Solutions, the trusted name in electrical manufacturing catering to some of the world's most expansive industrial landscapes. Our diverse range of products features versatile industrial lighting and power box systems for both general and. It broke after just a few days of use, and store couldn't close it and opened it just by touching it. Product features: workmanship is pretty good, try it first Product quality: please do not buy from this store. products are very poor and some are damaged and cannot. WIV DISTRIBUTION BOXES MAXIMUM FLEXIBILITY + MOBILITY.
