

Venezuela electrical distribution box manufacturer search

Article Overview

Key Venezuelan manufacturers of electrical distribution boxes include Equiweld, Venelectric Compani, and several specialized distributors serving industrial and residential sectors.

Major Manufacturers and Suppliers

Equiweld is a leading Venezuelan company specializing in medium and high voltage electrical equipment, including seccionadores, switchgear, and distribution boxes. They have over 40 years of experience and operate under ISO 9001:2015 certification, offering products tested in their high-voltage laboratory for reliability and safety up to 115 kV. Their distribution boxes and disconnectors are designed for currents from 630 A to 1250 A and short-circuit capacities of 20 kA to 38 kA, with high-quality copper terminals and porcelain insulators for outdoor use (Equiweld) . Venelectric Compani, C.A. focuses on low and high voltage electrical materials, including distribution boxes, control equipment, and wiring for residential, commercial, and industrial applications. They operate nationally from Barquisimeto, offering technical support, product sourcing, and delivery services across Venezuela (Venelectric) . Representaciones Hesolca C.A. integrates local expertise with imported electrical equipment, acting as an OEM for medium and low voltage distribution centers, motor control centers, and switchgear retrofits. They provide solutions for industrial applications and have experience with automation and control systems (Company Listing)
