

What are some outdoor server rack manufacturers in South Africa

Article Overview

CPS Technologies, Mecer, Falcon, Modac, and Tekmart are among the leading outdoor server rack manufacturers in South Africa.

Key Manufacturers

1. CPS Technologies CPS Technologies is a well-established South African manufacturer offering a wide range of server cabinets, including IP55-rated outdoor enclosures designed to protect sensitive IT and network equipment from harsh weather, dust, and vandalism. They provide both floor-standing and wall-mounted cabinets, as well as climate-controlled options for data centers and industrial applications. CPS also supports large-scale orders and customization for heavy-duty server loads . 2. Mecer Mecer provides 19-inch outdoor server cabinets in ventilated and non-ventilated versions. Their IP55 cabinets feature reinforced rubber gaskets, washable air filters, and secure locking doors. These cabinets are designed for easy cable management and robust protection against environmental factors, making them suitable for outdoor installations . 3. Falcon Electronics (AdleRac) Falcon, through its AdleRac brand, specializes in network cabinets and enclosures, including IP-rated outdoor cabinets. They offer fully integrated and customized racking solutions for data centers and IT infrastructure, with a focus on durability and security . 4. Modac Modac manufactures a variety of server racks and network enclosures, including outdoor-rated cabinets suitable for industrial and commercial applications. Their products are designed to meet local and international standards for protection and reliability . 5. Tekmart, Netrack, and RT Systems These companies also provide...
