

Which companies manufacture optical cables in Malta

Article Overview

Several companies in Malta specialize in laying optical fibre cables, including Conversa, 3Tech, Tektraco Telecoms, and GO plc.

Key Companies

Conversa Conversa offers comprehensive network infrastructure solutions, including fibre optic cabling systems, installation, termination, testing, and certification. They handle both overhead and underground cable installations and provide full support for network design and maintenance . 3Tech 3Tech supplies a wide range of indoor and outdoor fibre optic cables suitable for direct burial, duct installation, aerial, or blown fibre applications. They also provide accessories such as joint splice closures, termination boxes, optical distribution frames, and patch panels . Tektraco Telecoms Tektraco Telecoms is a professional outside plant (OSP) contractor specializing in fibre optic infrastructure. They have experience laying over 25 km of fibre cable in Malta, offering services including site surveying, civil works, optical power budget planning, testing, and commissioning. Their team is certified by the FOA, making them a recognized expert in fibre installation . GO plc GO plc has completed a nationwide fibre rollout in Malta, covering 371,000 homes and laying 10,800 km of fibre-optic cables along with 3,200 km of ducts and tubing. They are a major telecom operator and contractor for large-scale fibre infrastructure projects .
