

Zimbabwe hot-dip galvanized cable tray price

Article Overview

Hot-dip galvanized cable trays in Zimbabwe typically range from around USD 0.40 per meter for bulk international orders to approximately USD 27–30 per tray for standard local sizes, depending on dimensions and supplier.

Local Supplier Pricing

In Zimbabwe, suppliers such as Electrosales and Halsteds offer steel and galvanized cable trays, but exact prices often require direct inquiry due to stock and branch-specific variations . For example, a 225mm x 2.4m steel cable tray is listed at USD 27.73 at Halsteds, which provides a reference for mid-sized trays . Local suppliers like Brilltech Engineers also provide hot-dip galvanized cable trays with robust corrosion resistance and suitability for industrial and construction applications, though pricing is typically provided upon request .

International Price References

For bulk procurement or import, international suppliers such as Shandong Huayuetong International Trade Co., Ltd. and Zhonghe Steel (Tianjin) Co., Ltd. offer competitive rates. Prices can start as low as USD 0.40 per meter for orders exceeding 50,000 units, while heavy-duty outdoor trays may cost around USD 2.25 per meter at scale . These prices are influenced by factors such as zinc coating thickness, tray dimensions, and compliance with ISO/ASTM standards....
